

INTEGRATED LABELS

Increase profits with integrated labels from Wise. Our labels allow for a neat, easy and attractive presentation of your labels and company's message. Our labels are fully customizable to fit your wants and needs in any shape, size or configuration. Make label stock a thing of the past and upgrade to our form / label piece when you have a free film patch applied in any area that needs to be pressure sensitive.

Wise offers integrated labels for direct mail and traditional business form applications such as pick tickets with shipping labels, medical forms with pharmacy labels and shipping documents with product return labels.

Other popular applications include:

- Picking/Packing
- Shipping
- Invoicing
- Carton Labels
- Pharmacy Labels
- Inventory Management

FOR MORE INFORMATION

Our professional customer service staff will be pleased to respond to your immediate needs. Please contact them at the Wise facility nearest you or online at wbf.com.

Integrated Labels

PRODUCT DETAILS

- Free film and die cuts available in virtually any shape, size and configuration.
- We can print the back of the Free Film Patch to maximize your print area.
- Acrylic Adhesive ensures full adhesive coverage and no adhesive ooze unlike Hot Melt.

- Compatible with laser, ink jet and digital imaging equipment.
- Permanent, Removable and Repositionable Adhesive available.
- We can convert your continuous forms with an integrated label and then deliver those documents back to you on rolls, fan folded or sheeted to a finished size.
